Learning Lab Permission Form

2016/2017

Dear Parents/Guardians,

Your child has expressed interest in homework support through the after school **Learning Lab**. This after school program is for motivated students seeking instructional assistance with **math, social science, reading, language arts, and science**. **Students may complete test make-ups when prearranged with teachers. Students must speak directly with classroom teacher to request a test make-up.**

Hours and Days: BEGINS 09-12-16! The Learning Lab meets from 3:00 PM – 4:15 PM on Mondays, Tuesdays, Wednesdays and Thursdays in the CMS Library (CLIC). Parents may pick up students earlier by signing a student out in the library. Students may NOT leave early without being picked up by a parent or designee, unless students live within walking distance.

Student Responsibility: Students may use this time during the Learning Lab to work on homework, to silently read a book, or organize their school folders and binders. Core academic teachers are available to answer student academic questions. Please help your student understand that the Learning Lab is not a place to hang out or visit with friends. If students are disruptive, students will be sent to the office to call a parent for immediate pick up and the Learning Lab privileges may be suspended indefinitely.

Parent Responsibility: Students **must** be picked up promptly at 4:15 PM. Students must be picked up from school at 4:15 PM or students may walk home if parents/guardians feel this is a safe option. There will be no supervision at CMS after 4:15 PM, and students are not allowed on school grounds without supervision.

Parent Pick Up: Please pick your child up directly in front of Challenger (where busses normally pick up students). All students need to be picked up promptly at 4:15 PM as there is no supervision after that time period.

Parent/Guardian Approval: I am aware that my child is requesting to join the after school Learning Lab. As a parent I have had a discussion with my student and what the Learning Lab opportunity provides for them. My student agrees and understands that it will require a commitment to be focused on work and arrive prepared to work on schoolwork or have a book for silent reading. In addition, I understand that the Learning Lab is after school from 3:00 PM to 4:15 PM. I am aware that D20 does not provide transportation for after school activities and that I need to pick up my son or daughter by 4:15 PM or make arrangements to have them picked up. I understand the commitment and the transportation requirement, and I support my child's decision to participate in the Learning Lab activity.

Prior to Attending the Learning Lab, this form must be on file at CMS.

Please return this form to the CMS Counseling office.

_____ has my permission to participate in Learning Lab as described below.

(Print student's name)

(Parent(s) signature)

(Date)

Parent's Phone Number: _____

(I can be reached at this number between 3:00 -4:15 PM)

Please check ONE: I will pick up my child at 4:15 PM My child will walk home at 4:15 PM
